

Cinco (Five in Spanish)

1. Print on 110 lb (200gsm) cardstock. Crease all the dashed lines with a ball point pin and a straight edge.
2. Cut out the Motor Mount on the solid lines, fold toward the printed side on all of the dashed lines
3. Fold and glue Tab 1A to Tab 1B with the printed sides together.
4. Fold combined Tabs 1A & 1B over on to Tab 1C and glue. Make sure the tabs stay flat against each other.
5. Repeat steps 3 & 4 for Tabs 2 through 5.
6. Form the Motor Mount into a 5 sided, hollow tube and glue together using Tab 6.
7. Cut out the main body of the Cinco on the solid lines, fold on the dashed lines.
8. Form the Top into a five sided "cone" and glue it together using the Tab marked "Glue - Top".
9. Form the Bottom into a five sided "cone" with the 5 trapezoidal tabs folded toward the printed side.
10. Glue the Bottom together using the Tab marked "Glue - Bottom".
11. Spread glue on the backside of the trapezoidal tab with the "www.artapplewhite.com printed on it and press it flat against the underside of the Top.
12. Spread glue on the backside of the four remaining trapezoidal tabs of the Bottom and press them flat against the underside of the Top.
13. Slide the Motor Mount up through the Bottom and continue until it reaches the Top and just a little (1/32") above it.
14. Put fillets of glue around the Motor Mount where it joins the Top and where it joins the Bottom.

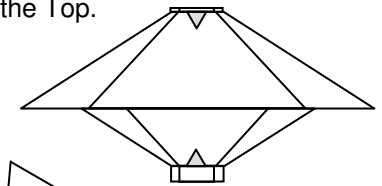

Recommended motors: 1/4 A3-3T, 1/2A3-2T,A3-4T, A10-3T, A10-PT
